DIPLOMAS AT 177th COMMENCEMENT GIVEN TO SIXTY-SEVEN SENIORS

Diplomas were presented this morning to 67 seniors and 4 postgraduate students of the Class of 1940 by Dr. Arthur W. Ewell of the Board of Trustees. Mr. James Duncan Phillips, President of the Board of Trustees, delivered the address to the graduating class at the exercises which marked the 177th commencement of Governor Dummer Academy.

Prize awards were made by Headmaster Edward W. Eames. The most coveted prizes, the Morse Flag and the Master's Prize, were received by Edwin S. Sheffield and Theodore P. Munro respectively.

Immediately following the award of the Morse Flag the Glee Club gave its final concert in the Lang Gymnasium with Mr. Benjamin Stone and Colgate Stockton as accompanists.

Parents of members of the graduating class and a large group of guests were served a buffet luncheon on the lawn in front of the Mansion House.

Deerfield Game at 3 P. M.

The baseball team will play the final game of the season this afternoon with Deerfield Academy. This annual commencement day game will be the eighth in the series between the two schools. After the contest tea will be served to all the guests of the school on the Mansion House lawn.

Commencement Dinner

At seven o'clock tonight Commencement festivities will come to a close with the annual dinner which will be held in a large tent on the athletic field. Several hundred friends of the school who have received tickets for the dinner are expected to attend.

The Commencement Dinner has traditionally become the one occasion of the year when students, alumni, parents, trustees, masters, and friends of the school have the opportunity of gathering informally. Under the direction

(Continued on page 8)

MR. EAMES ANNOUNCES \$80,000 FOR NEW BUILDING IS SUBSCRIBED

Mr. Eames today announced at the Commencement exercises that the \$80,000 Building Campaign drive has gone over the top. This means that the plans for the immediate construction of the building will be undertaken and the actual work should soon begin.

The drive to finish the so-called New Building, which houses the dining hall and kitchen and which represents merely one wing of the total unit of a new commons building, was initiated just before Thanksgiving by a group of boys under the direction of John Newman. An early gift of \$30,000 gave the movement tremendous impetus. Through the great effort of Mr. Eames, the trustees, the boys and their parents, the alumni, and the friends of the school funds have been coming in steadily to bring the drive to its successful conclusion.

The new addition to the physical equipment of the school will be the recreation center of

(Continued on page 11)

DR. ROBERT RUSSELL WICKS
Commencement Dinner Speaker

Vespers

May 19: The Reverend Samuel M. Lindsay
of the Baptist Church, Brookline.

May 26: The Reverend Henry McCartney,
former minister of the Byfield Parish
Church.

* * *

Dr. Lindsay spoke on the greatest art of all, peaceful relations with family, neighbors, and friends. He emphasized particularly the fact that religion stands above denomination-ism. The speaker concluded by presenting his views on the principles by which individuals and nations can live in agreement: mutual understanding; idealizing of others; realization that the reward from life equals what is put into life; recognition of matters in their true values; and learning the art of relaxation.

* * *

Basing his sermon on a figurative application of a child's impulse to blow bubbles, Dr. McCartney drew the conclusion that imagination, though materially as futile as bubbles, is nonetheless valuable to the student and the adult in any line of work or thought. Too much emphasis, he continued, on material values is not in accordance with the spirit of God and Heaven.

MILESTONE'S ANNUAL DANCE IS NOTABLE SPRING EVENT

The annual spring dance for the benefit of *The Milestone* took place in the New Building on Saturday evening, June 1, with forty-five girls as guests of the school for the occasion.

Many of the guests arrived in the afternoon in time for the lacrosse game with Kimball Union. Dinner was served for the girls and their escorts and faculty couples in the New Building at 6:30, followed by coffee at the Mansion House and dancing from 8 until 12 o'clock.

Don Gahan and his orchestra provided the music for the dance.

The dance committee which deserves praise for the success of the event were David Goodhart, Chairman, Louis des Cognets, King Dowse, James Henneberry, Peter Hill, Karl Klaussen, Roland Will, and Richard Williamson. Mrs. Eames also merits thanks for her work in helping the committee with the arrangements for the dance.

THE REVEREND DANIEL BLISS

Baccalaureate Speaker

BACCALAUREATE SERMON GIVEN BY THE REVEREND DANIEL BLISS

The Reverend Daniel Bliss, minister of the Second Congregational Church at Greenwich, Connecticut, addressed the Senior Class at the Baccalaureate Service held in Adelynrood Chapel on Sunday, June 2.

The Reverend Glenn Tilley Morse of West Newbury delivered the prayer and the benediction and read from the Scripture.

Dr. Bliss told the Senior Class that the human race is living today constantly in the face of the disaster and devastation of war. Despite the apparent hopelessness of the cause of peace, the human soul refuses to give up and is urging the people to find life in death and good in evil.

The graduating class he pictured as a symbol of the resurgence of life in general, and its place in the scheme of things must not be hailed as an end but as the commencement of greater things to come.

Most of us today, Dr. Bliss continued, want changes in life to come too quickly, and we forget that it is faithfulness, perseverance, and patience rather than speed that produce changes for good. Religion, he said, is the key to all life, and it is religion that channels and restrains the forces of life.

In his charge to the Senior Class, Dr. Bliss said that an unpromising future was ahead and that they must have hope, courage, and idealism and search for truth through religion in order to carry on.

PRIZES FOR THE SCHOOL YEAR
ARE PRESENTED AT EXERCISES

Prizes for the school year were awarded by Headmaster Eames at the graduation exercises this morning.

The *Morse Flag* was awarded to Edwin S. Sheffield of Newport, Rhode Island. This prize, the American flag which has flown over the campus during the past year, was presented immediately following the graduation exercises. The award was made at a special ceremony at the flag pole when the flag was lowered and a new flag, which will be awarded next year, was raised. This prize is donated each year by the Reverend Glenn Tilley Morse, a member of the Academy's board of trustees and restorer of the Academy's eighteenth century school-house. A gold medal also goes to the winner. The recipient of the award is that member of the senior class whose record in all respects has met with the highest approval of the faculty.

The Master's Prize, awarded each year to the senior who, by his unselfishness and sportsmanship, has best exemplified the spirit of the school, was presented to Theodore P. Munro of Waban.

Thorndike Hilton Cup; for the highest scholastic standing in the Senior Class, to David H. Solomon of Brookline.

Music Prize, given annually by Mr. Rupert Neily of Portland, Maine, to a boy because of his understanding and enjoyment of music, awarded to Nicholas J. Lampes of South Portland, Maine.

Harvard Alumni Prize; presented by the Harvard Club of Boston to an all-round boy in the Junior Class, to David T. Goodhart of Syracuse, New York.

Goodwin Athletic Prize; for the best all-round athletic record of the year, to Robert W. Nutter of Sanford, Maine.

Moody Kent Prizes; for high standing in each department of study:

English; Lawrence N. Van Doren of South Orange, New Jersey.

Classics; L. Brent Kuhnle of Boxford.

French; Leonard J. Zins of Haverhill.

German; James A. W. Black of New York City.

Mathematics; David H. Solomon of Brookline.

Science; Willard S. Little, Jr. of Newburyport.

History; Kurt J. Hoffman of Newburyport.

Washington & Franklin Medal; presented by the Massachusetts Society of the Sons of the American Revolution for excellence in the study of United States History, to Edward Whitley of Newburyport.

Special Prizes

In awarding a group of special prizes, Mr. Eames said: "Each year we award a few special prizes, because it is sometimes more important to find a prize to fit a boy than it is to find a boy to fit an established prize. These special prizes are provided through the generosity of Mr. Milton Dodge of Newburyport.

"To *John David Eshelman* of Lancaster, Pennsylvania, who has made a good record in studies and in athletics, and who is distinguished among the underclassmen for his loyalty and industry, and especially for his earnestness.

"To *Andrew Case Bailey* of Needham, who is known as the Abe Lincoln of the campus. Andy is distinguished for his dry wit, his hard work, his ability to play hockey, and his famous rendition of the story of 'Ham, Shem, and Jepheth, who were settin' one day.'

"To *David Franklin Gearhart* of Palmerton, Pennsylvania, another senior who in a single year has distinguished himself both by his good scholarship and by his success in a variety of athletic and school activities.

"To *Donald Watson Mortimer* of Bronxville, New York, who is equally serious whether he is playing first base, listening to the latest swing record, or working to raise his grades. Don has this year been one of the real leaders of the student body.

"To *Edward Beatson Mulcahy* of Monson, who deserves a prize not only for his all-round athletic record, but also because of his unselfishness, his good sportsmanship, and because, as the boys say, "he knows how to take it."

"To *Francis Hamilton Farnum, Jr.* of Augusta, Maine. I should like to award Pete Farnum a prize because he is *one* aviator who does not fly over the school dining hall, but the real reason we want to give Pete a prize is because we think he is one of the finest boys we have ever had in school.

THE PAST AND THE FUTURE

With the 177th Commencement exercises today Governor Dummer Academy closes one of the most successful years in its history. Looking at the year in retrospect, three events stand out above all others, namely the Building Campaign Fund, the Parsons Schoolhouse fire, and Alumni Day.

Each one of these events can be connected with the exceptional school spirit and high morale of the student body throughout the year, and it is to this spirit and morale that the successful year may be primarily attributed.

Initiated by the boys, the drive to raise \$80,000 to secure completion of the New Building was a tremendous undertaking in these days of unsettled business conditions. Yet the spirit and determination of the boys in the school to gain the necessary amount, backed up by the unstinting efforts of Mr. Eames and the trustees and by the loyalty and generosity of large numbers of parents and friends, have brought the campaign to a successful conclusion.

The Parsons Schoolhouse fire was a severe test of the spirit and morale of the Academy. During the fire the conduct of the boys was unexampled. The quick action of the students

saved much material from the building and the aid rendered the firemen was invaluable. Following the fire and the disruption of the regular school schedule, the boys took hold quickly, and there was not a single sign of grumbling on the part of anyone regarding the inconveniences of temporary classrooms and study halls. There has even been no need to replace the bell system throughout the dormitories, for the boys, being "on their own" and feeling the need for taking the responsibility upon themselves in the matter of punctuality, have made intensive effort to be on time for school appointments.

Finally, Alumni Day was indicative of the manner in which the spirit of Governor Dummer has pervaded the graduate ranks. On May 18, ninety-five returned to the school to make the attendance the largest in the Academy's history. The number represents about one-quarter of the alumni who have graduated since Mr. Eames became Headmaster. The formation of an alumni association at the business meeting on that day shows the desire of the graduates to take concerted action in regard to the school and will provide them the agency through which they can formulate a definite alumni policy so as to serve the best interests of Governor Dummer.

By these three illustrations it can be clearly seen that Commencement this year means more to the school than the opening up and beginning of new and greater fields of endeavor for the members of the graduating class; for it also means that the way is clear for Governor Dummer Academy, through its faculty, students, alumni, and friends, to attain new heights in the educational field.

More Briefly

In the dining hall recently there has been an exhibition of paintings by the Reverend Glenn Tilley Morse. In behalf of the school the ARCHON wishes to thank Dr. Morse not only for the loan of his pictures but also for his gift to the library of 61 volumes of *The World's Great Classics*.

* * *

Ed Donnelly of the Class of 1937 has recently been elected captain of the Colgate varsity baseball team for next year. Donnelly has been regular third baseman on the team for the last two years and has been one of its most consistent hitters. While at Colgate he has also starred in football.

HEADMASTER GIVES CITATIONS ON MAJOR GRADUATION PRIZES

Following are excerpts from Mr. Eames' speech in connection with the awarding of the Commencement prizes. The citations of the major awards are given.

"I want this year to award first the Master's Prize, which is given each year by my mother, who, I am very glad to say, is with us at these exercises today. The Master's Prize is given each year to the senior who by his unselfishness and sportsmanship has best exemplified the spirit of the school. The prize is this year awarded to *Theodore Pierce Munro* of Waban. Quarterback on the football team, captain of the hockey team, and veteran second-baseman on the baseball team, Ted has demonstrated in his athletics as well as in his studies qualities of hard work and leadership. More than most boys he has the capacity for independent thought and sound judgment. During three years Ted Munro has been with us, he has gained much from this school, but he has contributed much more. The Master's Prize: to Ted Munro.

"The Morse Flag is awarded each year 'to the senior whose record in all respects meets with the highest approval of the faculty.' The Reverend Glenn Tilley Morse, whose friendship for this school has been proven many times over a period of many years, provides annually a new flag for the school flagpole, in order that the old flag which has flown during the school year may be given to one member of the graduating class. Mr. Morse also provides each year a gold medal.

"This year the Morse Flag is awarded to *Edwin Spink Sheffield* of Newport, Rhode Island.

"During the greater part of his four-year course at Governor Dummer, Ed Sheffield has been an honor student. In addition he has recently been chosen as a member of the all-New England interscholastic lacrosse team. He has played on the hockey team and, for the last two seasons, as a regular guard on the school eleven. In every sport Ed's play has been characterized by aggressiveness, and particularly by intelligence. A few weeks ago the boys of Ed's class elected him as the President of the senior class.

"The Goodwin Athletic Prize, given by Mr. Fred H. Goodwin of the Class of 1916, is awarded for the best all-round athletic record of the year. The prize is awarded to *Robert Webster Nutter* of Sanford, Maine, who de-

serves this prize not only for his performance in football, basketball and baseball, but fully as much because he is a good sportsman and because, as so many of us know, he is a good friend.

"The Thorndike Hilton Cup was presented by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded annually to the ranking scholar of the graduating class. *David Harris Solomon* of Brookline has won our highest scholastic prize. He has also in a single year won a position of influence and leadership on the school campus."

GRADUATION PRIZES

(Continued from page 3)

"To *Robert Jewett Lyle* of Buffalo, New York, who has all the qualities of a gentleman and who has proved to be the best kind of a leader in a wide variety of school activities.

"To *Roger Kimball Eastman, Jr.* of Salem, for his even disposition and warm-hearted friendliness. There are few boys whom we like so much or in whom we take so much satisfaction as in Kim Eastman.

"To *William Herbert Torrey* of Babylon, New York, because of his contagious enthusiasm and good spirit, and because of his industry both in class work and managerial work."

In awarding the last of the prizes, Mr. Eames said: "If it had not been for the boys, I do not think that the Trustees or I would have dared to undertake a building campaign during the present school year. It was the initiative, the enthusiasm and the courage of the boys which were really responsible for our efforts this year to raise funds to finish the New Building. John Newman was the boy who conceived this idea and whose enthusiasm converted one boy after another and one master after another, until finally even the Headmaster and the Board of Trustees were won over. John not only made most of the speeches, but he served as the chairman of the Boys' Campaign Committee, and a more hard-working and efficient and inspiring chairman I have never seen.

We have all of us every reason this morning to feel grateful to John Newman because within the last few days our goal of \$80,000 has been oversubscribed and the Trustees have voted to undertake the completion of the building at once.

I think you will all agree with me that no boy in the school more deserves a special prize than *John Levisur Newman* of Beverly."

LARGEST ALUMNI DAY IN ACADEMY HISTORY ENJOYED BY NINETY-FIVE

Ninety-five alumni returned to school on Saturday, May 18, for the greatest Alumni Day in Governor Dummer history. This figure means that approximately one-quarter of those who have graduated since Mr. Eames became Headmaster were present at sometime during the day. The largest number of graduates who have returned on any previous Alumni Day was 75.

The number of those returning according to class is as follows: Class of 1887- 1, Class of 1900- 2, Class of 1931- 3, Class of 1932- 6, Class of 1933- 6, Class of 1934- 2, Class of 1935- 9, Class of 1936- 10, Class of 1937- 10, Class of 1938- 22, and Class of 1939- 25.

Features of the Day were the formation of an alumni association and the award of the annual Alumni prize. At the business meeting of the graduates in the afternoon it was unanimously decided to form an association, about which the alumni group was very enthusiastic. A constitution is to be drawn up and the functions of the organization are to be planned for.

The Alumni Prize, which was won last year by William Johnson of the class of 1932, was awarded to Edward Flint of the class of 1933. The prize is given each year to the graduate who has brought distinction both to himself and to the school by his work after leaving Governor Dummer. Flint was graduated from Tufts College in 1937, where he assisted in science during his last two years. He then went with the Bausch and Lomb Scientific Research Bureau and carried on graduate work at the Institute of Optics at the University of Rochester, from which he will get his M. A. this year. While living in Rochester he has found time to engage in civic enterprises such as the Community Chest and he has also managed to learn to fly, needing only two more hours before receiving his pilot's license.

In connection with Alumni Day the ARCHON published a special four-page alumni bulletin which was mailed on the following Wednesday to all alumni of the past ten years. This bulletin contained a complete account of all the day's activities, the names of all graduates who returned, and a large section of alumni notes gathered by class representatives. Those alumni unable to attend were thus fully informed of the day.

MILESTONE DEDICATION REVEALED; CLASS GIFT PRESENTED TO SCHOOL

Robert Lyle, editor of *The Milestone*, which was distributed last night after the Senior Sing, announced that this year's edition was dedicated to Mr. Fred H. Goodwin, of New York City, a graduate of the Academy in the Class of 1916 and a member of the board of trustees. The issue was dedicated to Mr. Goodwin as a loyal alumnus and trustee and generous friend of the school. As Mr. Goodwin was unable to be present due to illness, the dedication copy was received in his behalf by Benjamin Pearson, a classmate.

The 1940 Class gift was presented to the school, being a combination radio and victrola for the recreation room in the addition to the New Building, for which the Building Campaign has been waged this year.

The 1940 *Milestone* offers a new department as an innovation this year in the form of a complete account of all minor sports activities. This expansion of the account of minor sports takes the place of the old minor sports calender. The external appearance of the year book also has been changed slightly in that the name is printed on the back as well as on the front cover.

The exercises on Sunset Hill closed with the traditional ceremony of the Senior Song, which members of the graduating class sang as they filed past the milestone on the campus. A reception for seniors and guests was held by Mr. and Mrs. Eames in the New Building.

COMMENCEMENT

(Continued from page 1)

of Mr. Sager the entire group will join in singing.

Dr. Claude Moore Fuess, Headmaster of Phillips Academy, Andover, and well-known biographer of Calvin Coolidge, will act as toastmaster. He will introduce as speakers the Reverend James T. Cleland, Associate Professor of Religion at Amherst College, and Dr. Robert Russell Wicks, Dean of the University Chapel at Princeton University.

Dr. Wicks is a graduate of Hamilton College and of the Union Theological Seminary. After serving in churches in East Orange, New Jersey, and in Holyoke he became chaplain at Mt. Holyoke College in 1925. In 1929 he was called to Princeton University to become Dean of the University Chapel, which position he still occupies.

GOVERNORS DEFEAT KIMBALL UNION IN BASEBALL

Don Mortimer crosses the plate in the last of the eleventh to nose out an 11 to 10 victory on Alumni Day.

HEAVY HITTING MARKS ALUMNI DAY
VICTORY OF GOVERNOR DUMMER

After dropping four games in a row, the baseball team showed a real reversal of form on Alumni Day, May 18, by defeating Kimball Union for the first time in three years by an 11 to 10 score.

Heavy hitting on the part of the Governors' was the feature of the contest as Ted Munro banged out a home run and a triple and Bob Nutter connected for a circuit clout.

The Governors' nine jumped to a 3 run lead in the first inning and added two more in both the second and third innings but were unable to pull ahead of the visitors who finally tied up the contest 10 to 10 in the ninth. The knot was broken in the last of the ninth as Dave Jarvis punched a clean single over the shortstop's head with three men on and two outs to drive in the winning counter.

LACROSSE TEAM EARNS WIN OVER
NEW HAMPSHIRE FRESHMEN

In one of the best lacrosse games ever seen at the school, the Governors defeated the New Hampshire Freshmen 6 to 3 on May 21.

After getting off to a poor start in the first period when New Hampshire scored three quick goals, the Governors rallied and forced the play throughout the remainder of the game.

The Governor Dummer lineup:

Goodhart, goal; Griffith, point; Henneberry, center point; Bates, first defense; Gearhart, second defense; Benting, center; Sheffield, first attack; Lyle, second attack; Eshelman, out home; Will, in home.

MILTON ACADEMY TAKES TRACK
SQUAD BY 68 TO 30 MARGIN

A very strong Milton Academy track team defeated Governor Dummer 68 to 30 at Milton on June 1.

Bud Mulcahy was the leading place winner for the Governors with a first in the shotput and a second in the broad jump. Captain Al Hutchinson won the 220, with Fred Stanger coming in third. Adrian Rutherford took the 880 yd. run, and Bruce King gained a first in the high jump. King also placed with Les Ackerman in the pole vault.

PITCHING DUEL FEATURES BASEBALL
VICTORY OVER MOSES BROWN

Captain Ed Riley and Ames of Moses Brown hooked up in a beautiful pitcher's duel at Providence on May 25 at the Governors gained a 2 to 0 victory.

Riley allowed the home team only two hits and struck out 13, turning in his best game of the season so far, while the heavy hitting Governors were limited to five hits and were set down swinging nine times by Ames.

Sandy Young, who led the batting with two for four, provided the runs by clouting a long line-drive home run into left-center in the fourth inning after Bob Nutter had beaten out a bunt for a hit. Young also pulled the catch of the game in the ninth, when he made a one hand spear of a long drive with a man on in the last of the ninth to protect the lead.

The summary:

	1	2	3	4	5	6	7	8	9	R	H	E
Governor Dummer....	0	0	0	2	0	0	0	0	0	2	5	2
Moses Brown.....	0	0	0	0	0	0	0	0	0	0	2	1

LACROSSE TEAM SCORES 13 TO 3
VICTORY OVER ALUMNI GROUP

The lacrosse team, which is having the best season since the sport was started at Governor Dummer, added another victory to its string by trouncing an alumni team 13 to 3 on Alumni Day, May 18.

The alumni aggregation made a real game of it except in the second period when the Governors put together 7 goals with Roland Will leading the way.

Those who engaged in the contest for the graduate group were Hart Rogers, Arthur Jameson, Pete Pearson, Russ Simons, Jack Klotz, Hank Payson, and Jack Lyman. Mr. Murphy and Mr. Jennings, coaches on the team, and Joe Oates, one of the substitutes on the Academy team, filled out the Alumni ten.

NETMEN LOSE TO ANDOVER 2NDS,
WIN OVER BROWNE AND NICHOLS

The Governor Dummer tennis team lost to the Andover 2nds at Andover on May 18 by a 5 to 4 score.

On May 22 the tennis team traveled to Browne and Nichols to win 4 to 1. Lennie Zins and Ken Stein took their singles, and Zins and Deane Hoyt and Stein and Jim Monroe made the margin secure.

GOLF TEAM ENDS SUCCESSFUL
SEASON OF SIX MATCHES

The Governor Dummer golf team engaged in six matches this spring. Three of the matches were a combined medal contest with Exeter and Andover. Governor Dummer came out second with a total of 1367, while Exeter won with 1347 and Andover was last with 1407. The matches were played with six man teams, the total scores of each team counting in the final ranking.

The other three matches were marked by two wins and a loss. Malden High School was defeated 7½ to 1½, the M. I. T. Freshmen lost 5 to 1, and the Ould Newbury Country Club team won 12 to 9.

Outstanding throughout the year were co-captains Harry Davy and Jim Dodge, while Bob Schumann also played well in a number of the matches.

STRONG EXETER TEAM DEFEATS
GOVERNORS IN BASEBALL 7 TO 4

Captain Ed Riley turned in another fine pitching performance on May 29 against a strong, hard-hitting Exeter nine, but his work was marred by sloppy defense work on the part of his team mates, and Governor Dummer lost the game 7 to 4.

Summary:

	1	2	3	4	5	6	7	8	9	R	H	E
Governor Dummer....	0	0	0	0	0	2	0	0	2	4	4	3
Exeter	1	0	0	4	1	0	0	0	1	7	9	3

KIMBALL UNION TIES TRACK TEAM
IN ALUMNI DAY MORNING MEET

The Governor Dummer track team was tied by Kimball Union 58½ to 58½ on Alumni Day morning, May 18.

Captain Al Hutchinson was the top performer for the Governors with firsts in the 220, javelin, and broad jump, and a second in the 100. Bud Mulcahy earned firsts in the discus and shot, a second in the board jump, and a third in the 440. Bruce King won the 70 yd. low hurdles and tied for first in the high jump, while picking up a second in the 120 yd. low hurdles and a tie for third in the pole vault. Adrian Rutherford won the 880 yd. run. Other point winners for the Governors were Bob Little, Bill Abbott, Jim Melick, Les Ackerman, Fred Jellison, and Ted McDowell.

LACROSSE TEN LOSES TO DEERFIELD; WINS EASILY OVER KIMBALL UNION

Deerfield defeated the lacrosse team 7 to 4 on May 25 at Deerfield in a very disappointing game.

The Governors began the contest well as they scored three goals in the first period, but the team bogged down and their lack of aggressiveness enabled Deerfield to stay ahead.

John Eshelman was outstanding for the Governors as he garnered three goals and Dave Gearhart scored the other.

Kimball Union Defeated

The Governor Dummer lacrosse team completed its best season in the history of the sport here at school by trouncing Kimball Union 9 to 3 at South Byfield on June 1.

The veteran Governors' team benefited by the inexperience of the visitors and forced the play at all times.

John Hunter scored two goals and Karl Klaussen, Bob Lyle, and Howard Hill all turned in fine games.

SECOND BASEBALL TEAM RECORD

The second baseball team under the coaching of Mr. Hill has had a fine record this spring with four wins as against only one loss. Feature of the season was the no-hitter hurled against Andover by Hank Skeelee as the team trounced one of the club nines 12 to 0.

CAMPAIGN

(Continued from page 1)

the campus and will contain a large living room for meetings, receptions, and Sunday evening Vesper services. There will also be dormitory rooms, offices, and provisions for reading, music, and general recreation.

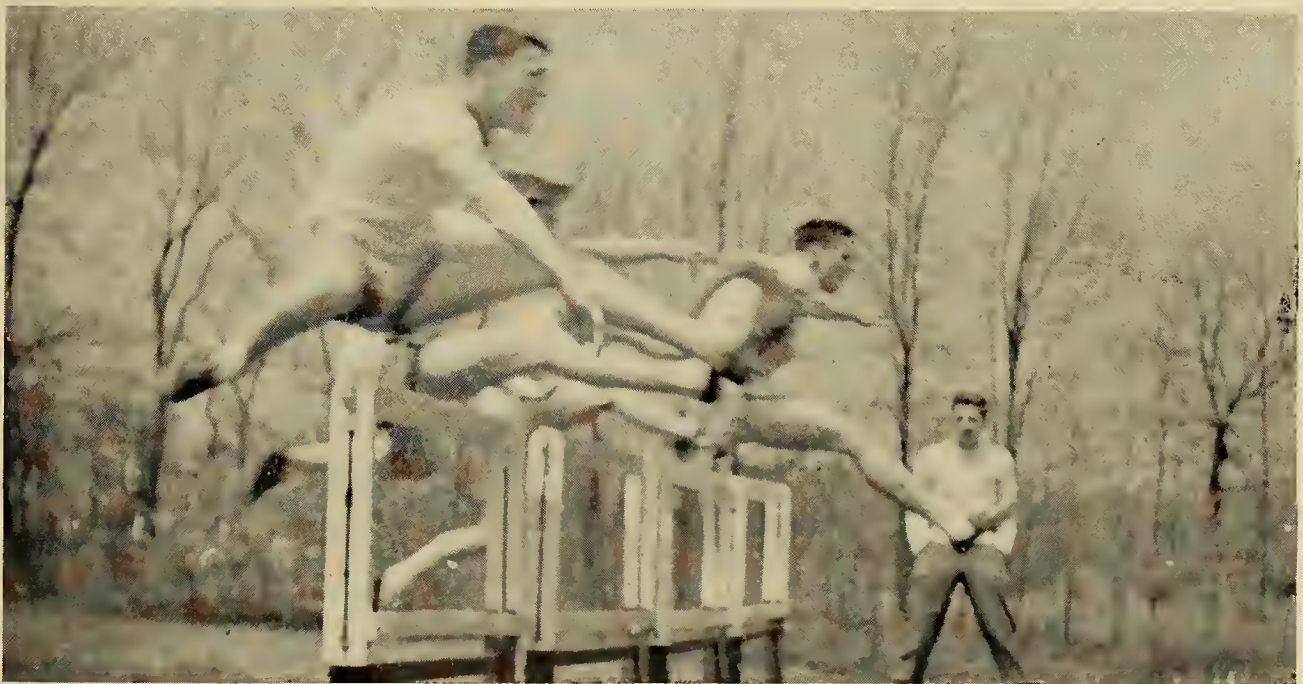

The dedication of the three principal rooms of the New Building, one to the memory of Mr. Philip Hacker Cobb, another to Mr. William Beale Jacob, and the third to the Reverend Carroll Perry, has already been announced.

MORE BRIEFLY

Mr. Mercer broke some sort of record on the evening of the Spring Dance when he appeared at a school dance for the first time in nine years. Mrs. Mercer is to be congratulated on making this noteworthy event possible.

* * *

A mighty faculty softball team, accepting with a vengeance the challenge to a game with Commons 1, smashed out an 8 to 0 victory without so much as even straining a back or pulling a muscle. Mr. Wickenden's fireball pitching had the boys so frightened that all they dared do was go to the plate, take their three swings, and then retire hastily to the safety of the bench. The victory record of the faculty was thus maintained in an unblemished condition.
